THE CHANGING OF THE GUARD

As the last February graduating class leaves Samohi, it seems to us that the "new guard" is taking over - new ideas in curriculum, new schedules, and a new emphasis on maturity.

We look at our new campus, our new teachers, our streamlined Band and Sergeantes and we know that the "new guard" will incorporate all that was good in our past and continue to build in the future.

Carol Caldwell — Fall Editor
Carol Reade — Spring Editor

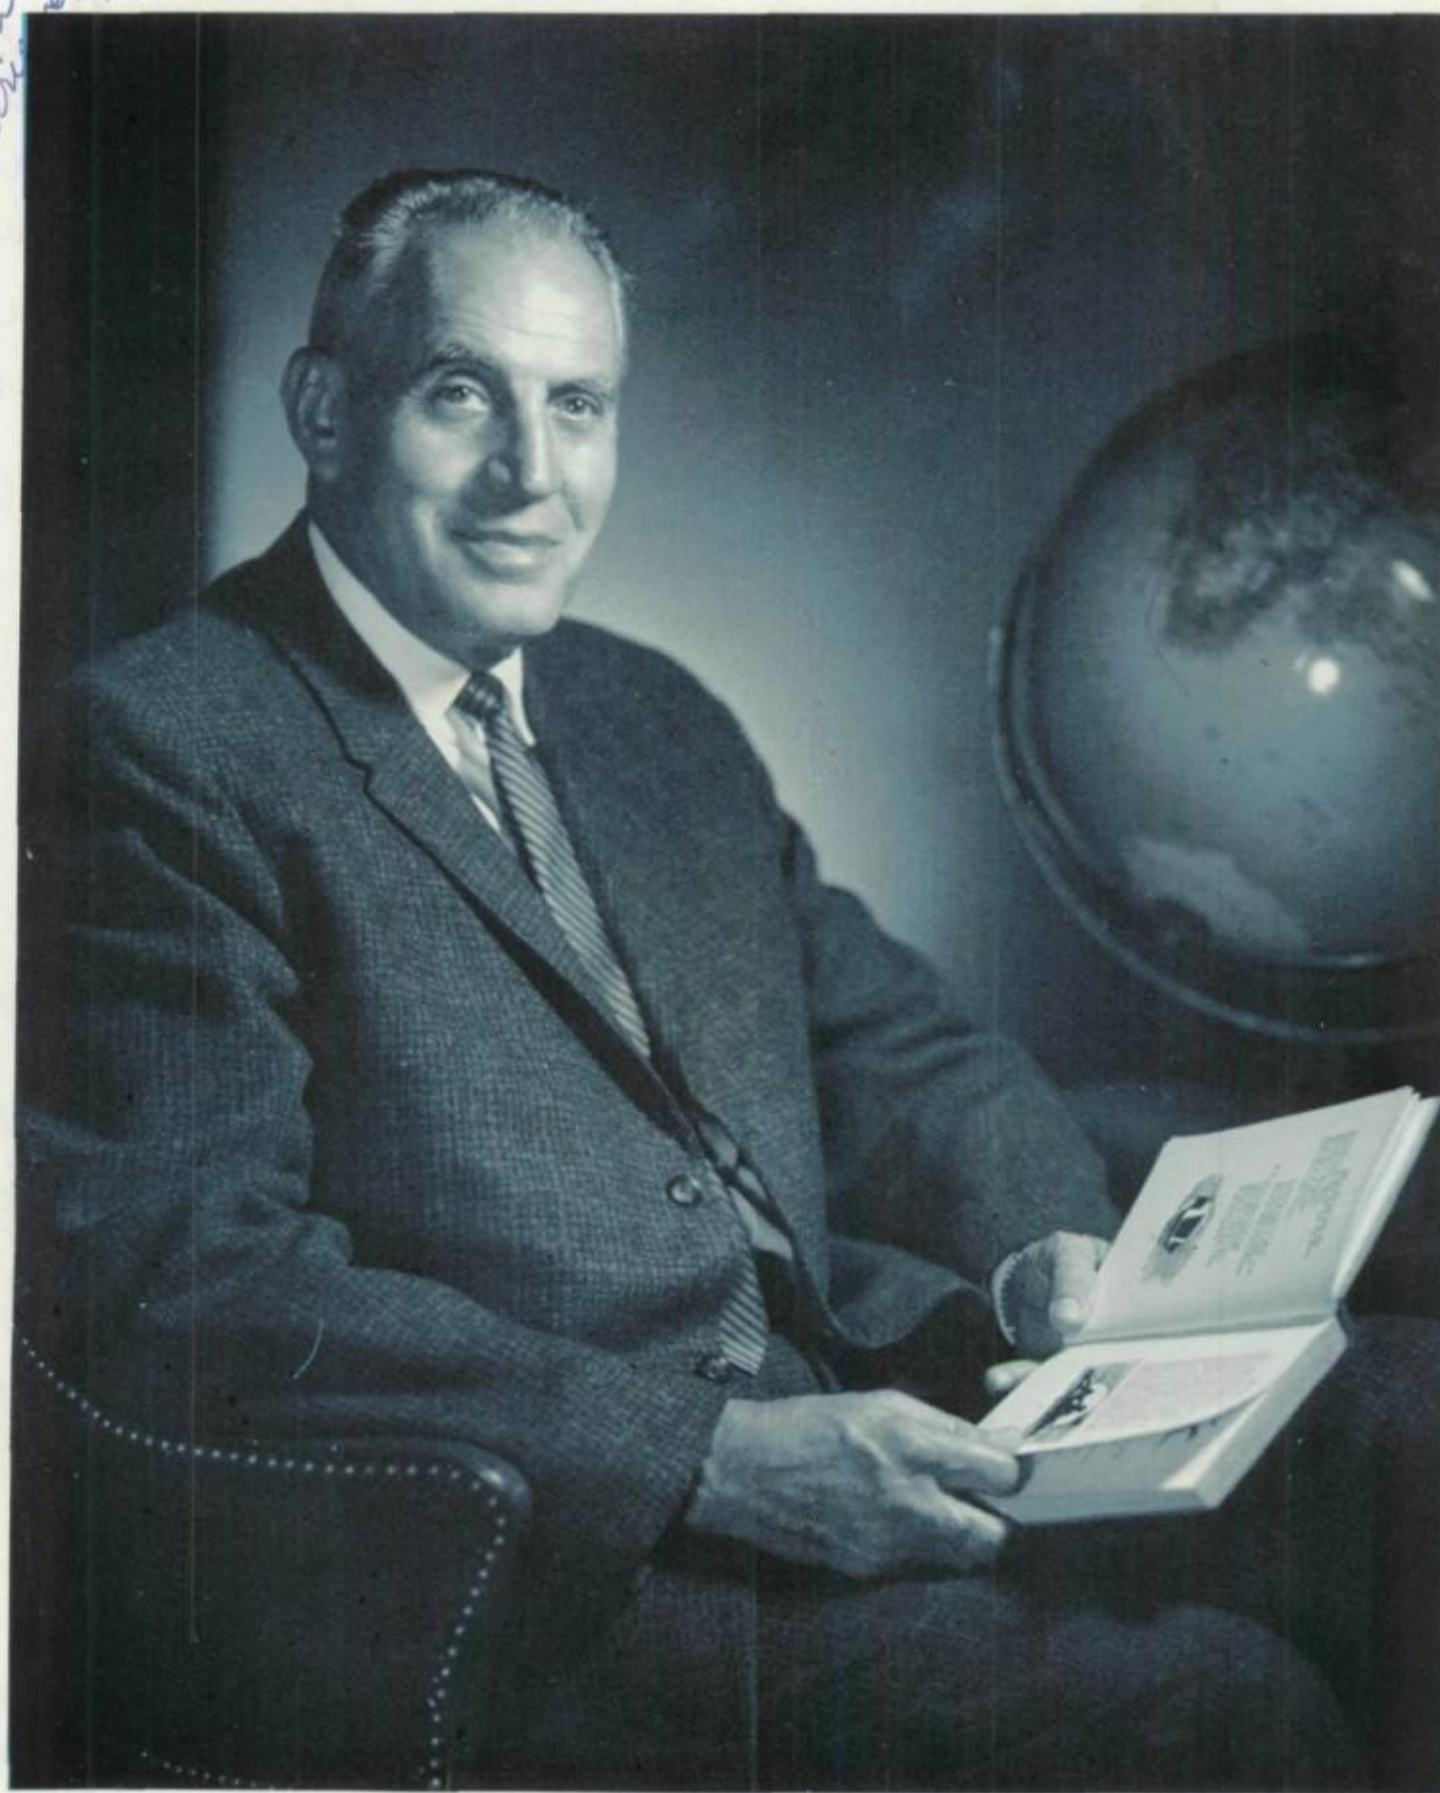

Russ,
Good luck in the coming year. May you stay in good health etc. Jimmy Dunay

Russ,
It's sort of been dull in here but you've sparked up (when you were here) a little. You're a great back in football so deep at it even at CC. See you there. Carter Clark

Russ,
You volleyball is superb. You women downe but any way you still a bitchin' kind and better volleyball player than anyone I know. Touch of luck Randy -61-

Russ,

DEDICATION

Since 1935, Dr. Edmund E. Evans has given encouragement and inspiration to hopeful theatrical students. Because of his love for the theater and his dedication to it, we have among our alumni such names as Glenn Ford, Jeff Chandler, Nan Martin, and Jean Bal; all of whom have found acclaim in the theatre.

It is because of our love and respect for Dr. Evans that we, the entire student body, dedicate this 1961 Nautilus to him.

The success of last year's Senior Play, "Katie," gave our beloved dramatic coach an opportunity to display once again his talents as an exceptional director. Our hopes and best wishes will all be with Dr. Evans as "Katie" opens on Broadway next fall.

We'll be waiting for your return, "Doc" — Good Luck!

*Best of luck
in everything - Hope
you & Mary can play
a game together
in summer. Stay
happy & I'll be
back - Russ -*

PRINCIPAL

The future is always a reflection of the past which has molded it. During the past three wonderful years our seniors have seen many changes in our beautiful Samohi, changes and improvements to which each of us has made some contribution.

The success of our educational efforts will be measured by the impressions which each of you as adults will make upon this community and our nation.

This "Changing of the Guard" is designed to carry from the present to the future the traditions and heritage which Samohi has received from the efforts of each of you.

DR. GEORGE K. DRAKE

VICE PRINCIPAL

For many years Samohi saw few changes in buildings, grounds and faculty but in recent years many major changes of great importance have taken place. Gone is the "Circle" where seniors congregated, gone are the old gyms and the Victory Gates. In their place now stands a new cafeteria, a new Administration Building, new gyms for boys and girls, and a modern Music Building which has many outstanding features. Many more major changes will take place on the campus with the coming of the freeway and the building of new facilities. The faculty is continually changing but it still remains one which is dedicated to the advance and welfare of all students at Samohi. Many changes may occur but the main aim is quality education to all who attend this great school.

PORTER I. LEACH

VICE PRINCIPAL

The theme, *The Changing of the Guard*, reminds one of life itself since all living things change; they either grow or stagnate. Only inanimate things remain unchanged. It is our hope that Samohi's education has helped prepare you to meet change, encouraged you to work for constructive growing for yourself, your school and your country. Each day we must stretch our minds and hearts to encompass greater understanding, greater achievement. You as Americans are today faced with unequalled opportunity, unequalled challenge. Never before was there greater need for staunch character, more intelligent participation and leadership. Some say the frontier spirit of youth is waning. Prove that this is not so as you plan a constructive role with fortitude and devotion in this new world of widening horizons. Be ready for the changing of the guard and with each change carry yourself and your country to greater heights.

COUNSELORS

The word "counselor" is a misnomer; instead, these people should be called "friends." Day after day they help us with our individual problems. They talk to us about our future, our plans for college, for work, for jobs, and our hopes for scholarships. Sometimes they help us get rid of our problems by just listening. So, to this most important group we say, "Thanks for being our friends."

Class History

In the Spring of 1958 a "small but mighty" class was formed. Mr. Tom MacCalla was appointed sponsor and Tebb Kusserow was elected President. Under the leadership of Lynne Taussig, Vice President; Beverly Opsitnick, Secretary; and Sara McCandless, Treasurer; a profitable semester developed. The class held a candy sale and had a snow cone booth in the Sien Fa Fiesta. Candy Pope and Jim Sawyer were chosen "Dona and Don" for the wedding ceremonies.

Sophomore A officers were Ron O'Meara, President; Sara McCandless, Vice President; Candy Pope, Secretary; and Janet Newcomb, Treasurer.

During this semester the class sponsored a Halloween cup cake sale and a car wash to raise money for the treasury. The selling of programs at C.I.F. play-off games gave an added boost to the ever-growing treasury.

Led by Junior B President Beverly Opsitnick, the class tackled a cake sale and another car wash. Her officers were: Barbara Lahey, Vice President; Jeanie Cha, Secretary; and Dave Sherman, Treasurer.

The all important Junior A semester had finally arrived. The class was given the traditional duty of putting on the Senior Prom. "Moonlight and Roses" was the theme. John Dahlem served as the able President and those that assisted him were Bill Griebenow, Vice President; Elsie Carlson, Secretary; and Mary Ann Miller, Treasurer. Another activity was the selling of programs during the football season.

Denny Pringle was elected to serve the Senior B class as their President. He headed such committees as the Senior Sweater Selection Committee, Class Picnic, and Snow Cone Booth at "Katie Day."

Giving him a helping hand were: Carrie Bulling, Vice President; Barbara Lahey, Secretary; and Bruce Snyder, Treasurer.

To put a perfect climax on the end of an eventful three years at Samohi, the class chose competent and energetic leaders. John Dahlem again served as President; Dolores Payne, served as Vice President; Mary Ann Miller, Secretary; and Deanna Payne, Treasurer.

Activities of the class included the following: Douglas Management Club and the Industrial Conference, The Senior Play, "Out of the Frying Pan" held on January 13th and 14th, the Senior Banquet which was held at the Santa Inez Inn and the Baccalaureate Services in Barnum Hall. The most exciting event was Grad Night at the Coconut Grove.

These are just the facts and figures of the Winter Class 1961, the real memories are in the hearts and minds of the students who experienced them.

Class

In September, 1958, the largest class yet embarked upon the Samohi campus. During the fall semester, this class elected officers and started on their fund-raising projects. Under the leadership of Mike Harbert, President; Shirley Nishimura, Vice President; Sandy Anderson, Secretary; and Jim Stewart, Treasurer, the class sponsored a very successful car-wash.

Spring came and so did elections. New Officers with new projects were underway. The main project was putting on a spring fashion show at the Jerry Brills. Spring officers were Herman Zampetti, President; Maxine Kanning, Vice President; Bara Shearer, Secretary; and John Scott, Treasurer.

No longer inexperienced Sophomores, the class elected John Scott, President; Dori Wufflestad, Vice President; Evelyn King, Secretary; and Hugh Taylor, Treasurer of the Junior Class. In order to put on the best prom yet, the class sponsored the sale of programs at the games.

History

As the Class of S'61 embarked upon its senior year, they were led by Charlie Smith, President, Barry Barker, Vice-President, Jeannie Paltnivich, Secretary, and Mali Holt, Treasurer. The main concern of these Senior B's was the selection of their Senior sweaters and its emblem. A sweater committee was organized and after weeks of deliberation came up with three colors and different weaves for the class to vote on. Gold, bulkie knit sweaters were chosen.

The last lap of the high school career was led by Jim Stewart, President. Assisting him were Monty Allport, Vice-President, Beverly Baker, Secretary, and Sandy Auld, Treasurer. Many jobs were handled during this semester. A few of the activities were as follows: Senior Play, Senior Banquet, choosing Prom King and Queen Candidates, Class Gift, and Grad Night.

We would like to thank our able leaders and our class sponsor, Mr. Court Eichholz for wonderful guidance.

To the next senior class we leave our hope for a successful and profitable senior year, as ours has been.

CHRISTMAS

Shadow scenes depict Nativity.

The Christmas Assembly

The annual Christmas Assembly is one of our great traditions. The program this year consisted of inspirational readings by Doctor Edmund E. Evans and beloved Christmas Carols sung by Samohi's Glee Clubs and Choir. Nativity scenes in shadow highlighted the pictorial presentation of the drama classes.

Choral Ensemble sings traditional carols.

AT SAMOHI

Charlie Smith says, "Ho, ho, ho."

The Christmas Cheer Drive

Each year the students at Samohi have a chance to express their true Christmas spirit by participating in the Christmas Cheer Drive. The Drive begins early in November, with "on campus" sales held by the period three classes. Money and gifts accumulate through November and December and final preparations are made before Christmas Vacation. Over Seventy families had a happier Christmas because of our sharing.

From all the home rooms — a Merry Christmas.

FALL

Ron O'Meara, Student Body President; Candy Pope, Vice President; Jeannie Cha, Secretary; Mark Collons, Yell King; and Dave Cornberg, Speaker of the House worked very hard this fall in the interest of all Samohi. Together they strived to polish old traditions and build new ones with terrific enthusiasm.

Spring-cleaning was done early this year by re-leaguering our athletic teams. Sportsmanship was given a friendly nudge. Blue and Gold Day and Homecoming were grand successes as was the P.T.A. Candy Sale.

The original ideas of the Fall Cabinet proved inspirational during this time of change.

SPRING A. S. B.

Our A.S.B. Cabinet is the central governing body of Samohi. With nearly 3000 students attending Samohi during the spring semester, the A.S.B. Cabinet had a tremendous job coordinating every phase of student activities.

Besides the cabinet's regular jobs of keeping in contact with every organization on campus, preparing a complete budget, and planning the proposed calendar, the A.S.B. Cabinet has "gone way beyond their call of duty."

The cabinet planned and executed Fiesta Day. They also revised the constitution and reorganized Vikes' Inn. Cabinet members also acted as Samohi's Public Relations men. They represented Samohi at several large inter-school conferences. The cabinet also visited other schools around the Bay Area.

The A.S.B. Cabinet, under the leadership of Mark Collons, President; Steve Harbison, Vice President; Sherri Pierce, Secretary; Barry Barker, Speaker of the House; and Greg Cailliet, Yell King, should be commended on keeping all the spring activities on campus functioning so smoothly.

CLASS PRESIDENTS: Left to right — Jim Stewart, Senior A; Vance Peterson, Junior A; John Bell, Sophomore A.

COMMISSIONERS: Left to right — Sandy Frerichs, Richard Cohen, Nancy Dana, Frank Overfelt, Ann Saito, Nancy Kreuter, John Scott, Jo Weiss, John Dunning, Sara Shearer.

SPRING

HOUSE OF REPRESENTATIVES

OFFICERS (Left to Right) — Mrs. Helen Emerson, Dean Of Girls, Patsy Hix, *Vice President*, Estelle Ling, *President*, Barbara Vaughn, *Secretary*, Mrs. Jane Biel, Sponsor.

GIRLS' AND

Under the capable leadership of Estelle Ling, President, Patsy Hix, Vice President, and Barbara Vaughn, Secretary, the Girls' League had a very active Fall Semester. Serving as President of the Boys' League for the Fall was Herman Zampetti, who was ably assisted by Bill Henley, Vice President, and Don Campbell, Secretary.

Even before the semester began, the Girls' League Board was busy preparing for the Big and Little Sister Picnic which was held in the Greek Theater on September 7.

The Spinsters' Skip was held in the Girls' Gym on November 5. Irene Fukahara worked diligently on the decorations and followed to perfection the theme "Parisian Interlude."

Selling programs at three games and sponsoring the Homecoming Dance were just a few more of the activities done by the Girls' League during the semester. The Boys' League also sponsored a dance which was held after the Centennial Football Game.

COMMISSIONERS (Left to Right) — *STANDING* — Beverly Opsitnick, Ann Saito, Barbara Lahey, Kris Rice, Carole Murrell, Jackie Leach, Mary Bingham, Jo Weiss, Carole Sale. *SITTING* — Kay Hioshi, Jan Parenteau, Charlene Brown, Jane Tapia, Irene Fukahara.

CAPTAINS AND ASSISTANTS *STANDING* — (Left to Right) Sue Hamata, Judy Bierbrier, Mary Ann Miller, Judy Berlin, Linda Davidoff, Norma Maister, Mary Jurgenson, Linda Lawrence, Francie Rudberg. *SITTING* — Joan Lloyd, Julie Lockwood, Marilyn Greenbaum, Irene Anderman.

OFFICERS — Mr. William Delkener, Acting Dean of Boys, Bill Henley, Vice-President, Herman Zampetti, President, Don Campbell, Secretary, Mr. John Ives, Sponsor.

BOYS' LEAGUE

Boys' and Girls' Leagues participated as ushers at the Parent-Teachers' Open House.

Nine members of the Girls' League Board, including the officers, attended the District Conference at Culver City High School on November 29.

An event that always causes hearts to swell is the traditional Christmas Cheer Drive. Both organizations took this activity under their wing.

Both Leagues held court throughout the semester and helped the administrators correct student problems.

To honor the squad members for participating, the Girls' League held an Invitational Tea, January 11. Awards were given to the outstanding squad members.

At the close of a busy semester the outgoing Presidents relinquish their gavels to the new Presidents and thus a semester ends and a new one begins.

SQUAD CAPTAINS — John Wakefield, Terry Holberton, Larry Rundle, Jim Sawyer, Dave Thomas, Lynn Antik, Jerry Sweet, John Gilchrist.

COMMISSIONERS — Randy Antik, Bob Cassillas, Jack Guercio, Chris Davis, Rolly Sutton, Denny Pringle.

Officers, Kris Rice, Vice-President; Jackie Leach, President; Mrs. Biel, Sponsor; Irene Anderman, Secretary.

Girls' League, Spring Semester, was led by Jackie Leach, President; Kris Rice, Vice-President; and Irene Anderman, Secretary.

The girls undertook many projects which were all very successful. The first project of the Girls' League was the annual "Cotton 'N Cord" which was held on March 18. The theme was "Daisies Won't Tell." Next came the Girls' League Fashion Show, which was sponsored by five prominent Santa Monica clothing stores. The Girls' League also took on the responsibility of doing all the publicity for the "Special Day." The girls also did their part in seeing that the campus laws were not broken and held court at least once a week, in order that they might fairly deal with those who did not comply with the rules.

Girls' League had a busy schedule, and everyone had a wonderful semester.

GIRLS'

BOYS'

COMMISSIONERS AND CAPTAINS

ASSISTANTS

Officers, Vice President, Terry Holberton; President, Tony Mathess; Secretary, John Gilchrist.

AND LEAGUES

Boys' League, Spring Semester, was led by Tony Mathess, President; Terry Holberton, Vice-president; and John Gilchrist, Secretary.

The boys set up two major goals for their organization. The first being to raise \$300 during the semester. They did this very successfully by sponsoring the annual "Boys' League Talent Show," noted as "Talent Unlimited." The second goal of the Boys' League was to "cleanup" some of the trouble spots of our campus, such as the parking lot and the Michigan alley. The boys held court at least once a week, and by so doing were able to meet their second goal.

The boys took an active part in our "Special Day" and in all other school functions.

Boys' League had very capable leaders this semester and they continued to build their good reputation by their tremendous participation.

June 1, 1961

Fellow-Vikings,

I have discovered in trying to write a message to you that it is impossible to put in words exactly what I feel because words are a very inadequate means of conveying feelings of gratitude, praise, and love to a great school like Samohi.

Your hospitality has made me feel so much like one of you, and it seems that I have been here very much longer than just a year. Associating with you, as one of you, has given me an opportunity to come to know the American people as they really are, and I am not being conventional when I say that you gum-chewing people are the best. America and the Americans have been my ideal and now I am glad to be able to go back home knowing my faith has not been unfounded. The United States is a great na-

Dear Friends,

During the time I have been among you, I have learned and taught as much as I have been able to . . . From you I have learned that one's country is always the greatest . . . Countries are not territory, they are PEOPLE; it is my people that I have learned to love better by loving you, and it is my country that I have learned to treasure better by the great admiration I have for yours . . .

This, my greatest experience in life, made possible by you, will live forever, not only in my heart, but in the hearts of all those who will hear about it.

I am very thankful for the magnificent friendship you have given me and for the great respect and interest you have shown in me and my people.

Few months are left . . . I would like to stay here, in my second home, but I can hardly wait to go where I belong and tell about all and each one of you . . . I will be back, if not in person, in spirit.

May this better understanding promoted by the great organization, the American Field Service, be supported by more and more of you every day, and by it, may friendship among countries be everlasting.

Thank you, again, to all.

With love, A Chilean
Maria Ines Arratia (Mané)

tion and Samohi very definitely reflects this. My only regret is that you have given me so much and I have given so little.

I end this with a feeling of sadness to say good-bye to you but with pride and honour in having been a part of this wonderful school. I leave you, but in my heart I shall always carry very fond memories of you and our Samohi. In saying a sad good-bye I would like to express my thanks to the AFS, to Santa Monica High School teachers and administrators, to my American parents and to all those who have brought me here and made my stay a very pleasant one. Once again, good-bye and good luck to Samohi now and forever.

Selamat Tinggal,

Yours always,
Melvin Goonting
— from Malaya

AFS COMMITTEE

Our American Field Service Committee, under the leadership of Steve Harbison, has been very active this year.

The AFS over-all goal is to promote understanding and goodwill by bringing students from foreign countries to our community. Their fund-raising goal is \$1,300, one-half the total expense of the committee. The other half is raised by an adult committee.

The AFS sponsored the first after-game dance

which was attended by over 300 students. They also sponsored a very successful car wash.

"AFS Week" planned for April 10—14, was kicked-off by an assembly involving Melvin Goonting and Mane Arriata and other foreign students attending Samohi. During this period, AFS membership cards were sold to the student body and an evening program was given for the community.

With the help of Samohi's loyal supporters, this active and worth-while committee has reached both of its goals.

SEALBEARERS

The highest academic honor bestowed upon a Samohi graduate is the title of Sealbearer. A student must be a member of the Delians Honor Society for four semesters, one of them being in his senior year, to qualify for Sealbearers.

At grad night, each Sealbearer is rewarded for his outstanding achievement by wearing a gold cowl during the final graduation ceremonies. He is also rewarded by a feeling of satisfaction, knowing he is one of the very few of his graduating class to attain this high honor.

Fall Delians

"Delians" is Samohi's chapter of the California Scholarship Federation. To belong to this organization, a student must, in all but a few cases, earn three A's and a B in prepared subjects for which full credit is given. He is then granted certain privileges, such as being permitted to leave a study hall upon presentation of his membership card and to participate in Off-campus Day. Under the leadership of Sara Shearer, President; Steve Harbison, Vice-president; Julie Lockwood, Recording Secretary; Carol Reade, Corresponding Secretary; Lyle Mason, Treasurer; and Dave DeVorkin, Commissioner of Scholarships, the Delians sponsored the Halloween Dance and went to Griffith Park on their Off-campus Day. They also offer tutoring services in many fields to those who need help. Mr. Forrest Freed and Mr. Bernard Roberts serve as advisers for the organization.

Harry Delmer, John Dilworth, John Dunning, Georgia Eastwood, Robert Felgar, Grace Glaser, Tim Haight, Steve Harbison, Richard Hinton, Peggy Holman, Sandra Houston, Bill Ivaska, David Jarvis, Laurine Jarvis, Vicki Johnston, Sally Kalmanson, Sam Kline, Marvin Lewis, Roberta Lewis, Charles Lingenfelter, Julie Lockwood, Tom Longridge, Vicki Lott, Janet McAlister, Susan McAllister, Kathy McGreevy, Lyle Mason, Roger Meyer, Vicki Newton, David Partie, Vance Peterson, Stephanie Pollack, Melinda Rinker, John Scott, Alan Shirek, Jane Somers, Marjorie Stevens, Ann Sundberg, Bill Thornbury, Judy Veneklasen, Judy Vondriska, Linda Vorhees, Ray Watts, Glen Winslow.

Pat Strasser, Corresponding Secretary, was absent.

Spring Delians

Samohi's intellectuals got the semester under way by electing their new officers. Evelyn King served as President; assisted by Tim Haight, Vice-president; Kathy McGreevy, Recording Secretary; Pat Strasser, Corresponding Secretary; and Alan Shirek, Treasurer. The Delians enjoyed their traditional off-campus day, and, on April 20, contributed to an exchange of ideas at the CSF Regional Conference at U.C.L.A.

Samohi is honored to have two of its Delians holding top positions in the South Central Region and in District 9W of the California Scholarship Federation. Dave DeVorkin serves as President, and Carol Reade is acting as Corresponding Secretary.

HALL OF FAME

In November, 1960, the Samohi Hall of Fame acquired three new members: Parry O'Brien, Olympic sportsman and world's greatest shot-putter; Gene Nelson, internationally acclaimed dancer and performer; and Phil Hill, world famous race car driver. They are the fourteenth, fifteenth, and sixteenth members to be elected to this position by the Santa Monica High School Hall of Fame Committee. The first person to be elected to the Hall of Fame was Ken Darby in 1948.

Some of the requirements for eligibility of proposed candidates are: candidates shall be graduates of the Santa Monica High School who have performed outstanding service in preserving or enriching "our way of life"; nominees shall not be eligible in less than ten years after their graduation; the Hall of Fame Committee shall consist of seven members — two administrators, one of whom shall be the principal, two teachers, one from each of the faculty clubs, the president of the alumni association, the president of the associated student body, and the president of the honor scholarship society.

"If We Rest, We Rust"

The Sergeanettes, after much strenuous practicing during the summer, and after school during the fall semester, placed high in every parade in which they competed: fourth place at Azusa, second place at Arcadia, and first at Hawthorne.

The officers for the 1960-61 term were: President, Juanita Myers; Vice President, Susanne Sheets; Recording Secretary, Bobbie Eckenstein; Corresponding Secretary, Marji Ashe; Treasurer, Sally Kalmanson; Beverly Townley, Historian; and Penni Zilhaver, Publicity. The Military Officers were: Colonel, Shirley Nishimura; First Captain, Janet McAllister; Captains, Nancy Moore, Janet Newcomb, and Esther Lipchiz; Lieutenant Majorette, Annette Hilaiel; Lieutenant Flag, Julie Olson; and Lieuten-

and Song Leader, Sally Crawford. These officers worked with their sponsors, Mrs. Lila Butler, and Mrs. Joan Kuhns.

Although their main purpose is service to the school, the Sergeanette's service was extended to the entire community. One example was their participation in the Malibu Christmas Parade. Another was their loyalty to the community in performing at a postponed football game instead of marching in the Hollywood Lane Parade.

Some of the special activities of the Sergeanettes included: a Mother-Daughter Tea, a Father-Daughter Banquet, a Football Team Banquet, the Sergeanettes' Ball, and parties with the band.

SAMOHİ'S MARCHING BAND

This year the Samohi Marching Band, sparkling in their new, light blue uniforms, with the shako hats, completed its most successful marching season.

Under the sponsorship of Mr. Richard Wagnon, and along with the excellent leadership of Richard Cohen, Drum Major, Assistant Drum Major and Director, Jim Scott and Jim Maultsby, Brass Captain, Chuck Dickerson, and Reed Captain, Carl Vancott, our band came out on top again, placing in all the competing parades that it entered.

The Band's parade accomplishments were: Azusa parade, Sweepstakes; Hawthorne parade, Second Place; Arcadia parade, Third Place; and competing with sixty-eight bands at the Long Beach All Western Band Review, the Band placed fifth.

During sixth period gym every day it's not only the track or football team who are energetically working out on the athletic field. The girls of G.A.A. are also out there, actively participating in sports events. The G.A.A. is more than just a girls' sixth period gym class. It is the girls' gym class that is considered one of the most active clubs on SAMOHI'S campus.

G.A.A. has a threefold program; sports, social, and service. Their sports program this year consisted of four Bay League Play Days. It seems as though the Bay League can't quite forget about SAMOHI yet. Keeping up their past record, G.A.A. came out victorious in all of the Play Days!

Also along the sports line, G.A.A. beat the Sergeanettes, 1—0 in a short basketball game during one of the boys' varsity basketball game half-times.

G.A.A. has also had an active social season. Included in their activities were two dinner banquets, a beach party, several outings, and several parties during sixth period.

Selling programs at football games and candy for the P.T.A.

and decorating the Greek Theatre were a few of G.A.A.'s service activities.

Leading the fall semester's activities were Beverly Opsitnick, President; Melinda MacLeod, Vice President; Ann Saito, Recording Secretary; Kathy Murase, Corresponding Secretary; Kathy Buchannan, Treasurer; Linda Pastor, Publicity; Susie Erb, Sports Spree Manager; Estelle Ling, Head Song Leader, assisted by Jo Weiss and Julie Lockwood; Candy Pope, Head Yell Leader, assisted by Brenda Bremer, Marilyn Greenbaum, and Jackie Leach; and Kathy Roessler, Card Section Chairman.

The officers for the spring semester were: Kathy Roessler, President; Jean Thompson, Vice President; Deanna Dooley, Recording Secretary; Mary Jurgenson, Corresponding Secretary; Brenda Bremer, Treasurer; Mary Edgington, Publicity; Sue White, Sports Spree Manager; Julie Lockwood, Head Song Leader, assisted by Diana Dorr and Linda Lawrence; Mané Arratia, Head Yell Leader, assisted by Jane Cowell, Carol Roper, and Linda Titley.

SOCIAL ACTIVITIES

HOMECOMING QUEEN

Sally Crawford

Shirley Nishimura

One of Samohi's favorite and oldest traditions is Homecoming. This year under the able direction of Mark Collons, Homecoming Chairman, and the help of many willing Vikings, the day's activities were a success.

Homecoming started traditionally with Blue and Gold Day, Friday, November 28. Early in the morning students worked with pride to decorate the campus and at noon there was a giant pep rally, where Principal, Dr. Drake, crowned the 1960 Homecoming Queen, Sally Crawford.

The highlight of the day's activities was the Homecoming Parade through Santa Monica's business district, which included some sixty cars of Samohi student organizations along with the Queen and her Court. The parade dispersed at Corsair Field and the Vikings watched as the Clairemont "Chieftans" were defeated, 32 — 7. After the game, Queen Sally and her Court reigned at the Homecoming Dance.

OUT OF THE FRYING PAN

Eric Loeb and "Supporters"

Every once in a while a really great Senior Play is presented in Barnum Hall. *Out of the Frying Pan*, the comedy chosen by the Winter Class of 1961, will long be remembered as being one of the funniest and best portrayed farces done at Samohi.

The story centers around six "would be if given a chance" actors, who hope to be discovered by a big producer who just happens to live below them in a New York apartment.

There is nothing unusual about six actors living together, except for the fact that three of the actors are *actresses*. They "have banded together for financial reasons, period."

All is going smoothly when suddenly friends and relatives start invading their privacy. From this point on, gradual bedlam lets loose and hilariously funny scenes follow until finally our actors are "discovered."

"ICEBOUND"

Under the dramatic direction of "Doc" Evans, the Spring Senior class of '61 presented "Icebound." The mood was set in the opening scene where all member of the Jordan family were gathered around the death bed of "Mother Jordan." While awaiting her death they "passed the time" by bickering over the contents of the will and wishing that she would hurry up and die so that they could open the will and go home.

This mood was carried throughout the play until the ironic climax left everything in the hands of Jane Crosby, an orphan, and Ben Jordan, the "black sheep" of the family.

The production was a tremendous success.

THE HEART OF "THE TWELFTH MAN"

The Pep Rally Committee, a joint faculty-student organization, meets at noon each Monday in Room 98 to plan its activities. The group, under the Chairmanship of the Yell King, was organized primarily to promote good sportmanship, to organize pep rallies, rooting sections, and to provide transportation to out-of-town games. It offers its services to the Fighting Viking Teams and to all students of SAMOHI. Students are invited to attend the meetings and participate in discussions concerning Samohi's renowned spirit.

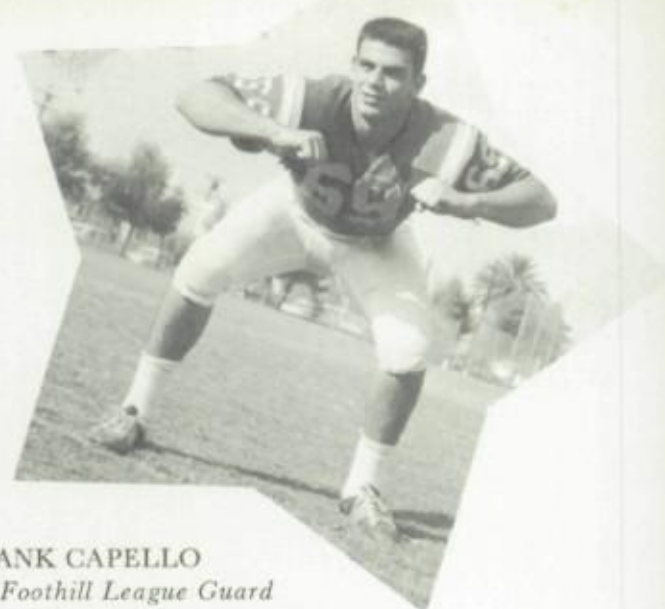

During the past football season very successful night meetings were held due to the great number of pep assemblies and rallies which had to be planned. Those whose services are acknowledged include Bob Casillias, Judy Foye, Linda Kliegman, Sandi Auld, Pam Hogel, and Sherri Pierce.

THE VIKINGS

Participating in Foothill League competition for the '60 season, the Viking football team had a 4—2 record to garner 2nd place.

The Ventura Cougars traveled south only to be upset 22—6 by a fast moving Samohi offense in the opening game of the year.

In the second pre-season, non-league game, the Vikes hosted the fleet of foot Centennial Apaches. After the back and forth clash ended, the Apaches rose, victorious, 13—6.

The Glendale Dynamiters blasted Samohi in the first league game of the season by overpowering the Viking ship, 20—12.

After this defeat Samohi came back to fight to a 20—7 victory over the Pasadena Bulldogs.

California Vehicle Code: Extend the left arm, then turn.

"'Scuse me, Mr. Dillinger."

IN ACTION

This win put the wind in the mighty Viking sails. Taking on the Burbank Bulldogs, Samohi left the field with 39—7 honors.

The Burroughs Indians were the Norsemen's next hurdle. Filling the air with footballs, the Vikes ground out a 14—0 margin.

In the next league tilt the Vikings were defeated by the rugged, hard nosed, Muir Mustangs who pushed over 28 points to Samohi's 7. The Mustangs went on to receive the top honors of the Foothill League.

The last league contest was with the Hoover Tornadoes. When the hard-fought bout finished, the Norsemen held victorious 21—16.

In the final game of the season, Samohi rolled to a one sided 32—7 rout of the Clairemont Chieftains.
